2022 Impact Report

Wow, what a year!

First and foremost, thank you to everyone who has made 2022 a year of great growth in serving many more children, adults with special needs, and veterans all over South Florida and in Georgia and Indiana too. We did it! We are still growing to serve more in the years to come!

This year we provided over **3500 on-the-water experiences** with the help of over **300 volunteers** assisting on all levels. From the Board of Directors to those on the boats, all shared their loving hearts with our participants.

We have grown from two full-time employees to four full-time and two part-time employees, and we hired a marketing company and an IT company, all in one year. Wow!

Wow is right! I was asked by a vessel owner how many people we have touched over the years, and with tears forming as I thought about it, "I guess it has been **35,000-40,000** over the past **16 ½ years.**"

On behalf of all we serve and with a full heart, I thank all of you for helping us in **Sharing Freedom and Joy on and off the Water!**

Debra S. Frenkel, LCSW

Participant Testimonials

What a fantastic experience we had. The boat hosts and the volunteers were outstanding. With lunch and snacks provided and the camaraderie of other veterans and their wives, we couldn't have had a better time! The work you do for Veterans and individuals with special needs is amazing.

With our sincere thanks,

Mike and Nancy Parker

Our experience was amazing. Sandy and Bob were the best. They too saw no limits with Ryan. They got him on the boat in his chair and made sure he was safe and comfortable. It was heart melting to see Ryan laugh so much! Ryan "talks" about his adventure to this day! Being with Sandy and Bob was like being with family - I can never express how meaningful this experience has been for us. We were honored to be Veteran's on the adventure but more importantly we were so very appreciative of you taking Ryan - our real hero.

Vinnie
